

REFERRAL PROGRAM "EARN REWARDS FOR PROVIDING LEADS"

MNJ SOFTWARE

MNJ Software introduced the MNJ Software® Referral program to extend its leadership position in the small and midsize enterprise market and reward member/companies for providing qualified leads that convert to sales. If you have a role working with, communicating to, or advising companies in this market, the MNJ Software Referral program can open new doors for your business.

Members/Companies that participate in the MNJ Software Referral program earn rewards for providing leads to MNJ Software that convert into won, closed, and fully paid deals.

Companies that participate in the MNJ Software® Referral program earn rewards for providing leads to MNJ Software that convert into won, closed, and fully paid deals. The following offerings are currently eligible for payment of referral fees for leads registered in the MNJ Software Referral program. MNJ Software may unilaterally amend this list from time to time. Members of the MNJ Software Referral program can consult their referral portals for updates.
